In My Eyes

Milk Inc.

In my eyes you'll see
The way it is to be
Take a look and see
The light still shines in meIn my eyes
In my eyes you'll see
The way it is to be
Take a look and see
The light still shines in meThere's a part of me
That I forgot to be
Take a look and see
The light still shines in meTake a look an see
The light still shines in me
Take a look an see
The light still shines in meIn my eyes
In my eyesIn your arms it seems
You've taken all my drams
Take a look and see
The light still shines in meThere's a part of me
That I forgot to be
Take a look and see
The light still shines in meIn my eyes, in my eyes
The light still shines in meIn my eyes, in my eyes
The light still shines in meIn my eyes
In my eyesTake a look and see
The light still shines in me
Take a look and see
The light still shines in meIn my eyes
In my eyesTake a look and see
The light still shines in me
Take a look and see
The light still shines in meIn my eyes you'll see
The way it is to be
Take a look and see
The light still shines in me
