## Fatboy Slim

What the fuck?

They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just strut, they just strut  
What the fuck? What the fuck?  
They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what they know  
But they don't know what is what  
They just strut, what the fuck?  
They just strut, what the fuck?  
What the fuck?  
They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what is what

But they don't know what is what  
They just know what they know  
But they don't know what is what  
They just know what they know  
But they don't know what is what  
They just know what they know  
But they don't know what is what  
They just strut, what the fuck?  
What the fuck?  
They know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just strut, what the fuck?  
They know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just know what is what  
But they don't know what is what  
They just strut, what the fuck?  
What the fuck?  
What the fuck?  
What the fuck?
