Christmas Day

She & Him

The Christmas spirit grows with each new day
And it's so close but seems so far away
And yet it comes only once a year
And 'fore you know it, it's already here
The streets are filled with laughter
And so many hearts are gay

Everybody helps to make the season bright
The houses turn on their Christmas lights at night
It's worth the wait the whole year through
Just to make happy someone like you
And I'll never outgrow the thrill of Christmas day

The Christmas spirit grows with each new day
And it's so close but seems so far away
And yet it comes only once a year
And 'fore you know it, it's already here
The streets are filled with laughter
And so many hearts are gay

Everybody helps to make the season bright
The houses turn on their Christmas lights at night
It's worth the wait the whole year through
Just to make happy someone like you
And I'll never outgrow the thrill of Christmas day

It's worth the wait the whole year through
Just to make happy someone like you
And I'll never outgrow the thrill of Christmas day
And I'll never outgrow the thrill of Christmas day
And I'll never outgrow the thrill of Christmas day
Yes, I'll never outgrow the thrill of Christmas day
