# Technical Difficulties

## 2CELLOS

About 700 days and ways
inside this changing
mind is failing
twisiting turning
eyes are burning
and nothings workingare we failing?
talking cheaply
deepen feelings
no one's thinking
solving problems.
intervening
nothing is workingare we failing?
talking cheaply
deepen feelings
no one's thinking
solving problems.
intervening
nothing is workingwe are
experiencing technical difficulties
we are
experiencing technical difficulties
we are
experiencing technical difficultiesplease stand bywe are
experiencing technical difficulties
we are
experiencing technical difficulties
we are
experiencing technical difficultiesnothings working
please stand byAbout 700 days and ways
inside this changing
mind is failing
twisiting turning
eyes are burning
and nothings workingare we failing?
talking cheaply
deepen feelings
no one's thinking
solving problems.
intervening

nothing is workingnothings working eyes are burning
nothings workingwe are
experiencing technical difficulties
we are
experiencing technical difficulties
we are
experiencing technical difficultiesplease stand bywe are
experiencing technical difficulties
we are
experiencing technical difficulties
we are
experiencing technical difficultiesnothings working
please stand byintrospection
leads to rejection
foolish draining sound of laughter
confusion is our silent partner
and nothings workingintrospection
leads to rejection
foolish draining sound of laughter
confusion is our silent partner
and nothings workingwe are
experiencing technical difficulties
we are
experiencing technical difficulties
we are
experiencing technical difficultiesplease stand bywe are
experiencing technical difficulties
we are
experiencing technical difficulties
we are
experiencing technical difficultiesnothings working
please stand bywe are
experiencing technical difficulties
we are
experiencing technical difficulties
we are
experiencing technical difficultiesgoodbye.
