Where Will This End?

Mezzo

No more smiling faces on display
Road rage is the order of the day
Incompetence reign supreme
Or is it all just a scary dreamWe find ourselves
Iin the depths of despair
Children crying, its all so unfair
Wiping smiles off their faces
Where will it end?CHORUS:Depresssion abound
Suicide gaining ground
Leaders nowhere to be found.
Smiling faces turn to frowns
They start to believe that
happiness is just a mythPockets swelling with bucks
It can even fill big trucks
No one cares, no one cares anymoreIs it the start of the end?
No money for rent
Just get a stipendNo more reason to smile
Even for a little while
Life just tasting like bile
We gnaw on our teeth
While they drag their feetWhere will it End?GUITAR SOLO:Depresssion abound
Suicide gaining ground
Leaders nowhere to be found.
Smiling faces turn to frowns
They start to believe that
happiness is just a mythREPEAT CHORUSWhere Will This End?
