Cascades

Danny Kirwan

Written by danny kirwan.Sun shines through my window in the afternoon
Sparrows on the railings in the month of june
Summer nights which start from skies at rainbow's end
Dusty morns with tiresome yawnsCascades of blue and green
And oh my love you're in between the earth and sky
Cascades of blue and green
And oh my love you're in between the earth and skySun shines through my window in the afternoon
Sparrows on the railings in the month of june
Summer nights which start from skies at rainbow's end
Dusty morns with tiresome yawnsCascades of blue and green
And oh my love you're in between the earth and sky
Cascades of blue and green
And oh my love you're in between the earth and skyOoh...
Ooh...
Ooh...
Ooh...
