Lyric

Zwan

Here comes my faith to carry me on
A faith, not a grave, a fight to stay strong
So, I stand accused of playing numb
I know it as wrong for I give my strength, I give my heart
Take these chains and hold them as ours
For I must shine and I will star in a season, all mine
A lyric, a time, a crusade, a line
One minute, a friend, a road without end
A lyric, a time, a crusade, a line
One minute, a friend, a road without end
So, here is the view, I cast about
I'm leaving no room for you to get out
You'll never get out
Dove, can't you cry? Without [Incomprehensible]
I need you as my way across my life
To spend these years, create a new thought
For I give you strength and offer my heart
Take these chains and hold them as ours
For I'm a star and I will shine in a season, all mine
A lyric, a time, a crusade, a line
One minute, a friend, a road without end
A lyric, a time, a crusade, a line
One minute, a friend, a road without end
A lyric, a time, a crusade, a line
One minute, a friend, a road without end
A lyric, a time, a crusade, a line
One minute, a friend, a road without end
A road without end
