## Zwan

Here comes my faith to carry me on  
A faith, not a grave, a fight to stay strong  
So, I stand accused of playing numb  
I know it as wrong for I give my strength, I give my heart  
Take these chains and hold them as ours  
For I must shine and I will star in a season, all mine  
A lyric, a time, a crusade, a line  
One minute, a friend, a road without end  
A lyric, a time, a crusade, a line  
One minute, a friend, a road without end  
So, here is the view, I cast about  
I'm leaving no room for you to get out  
You'll never get out  
Dove, can't you cry? Without [Incomprehensible]  
I need you as my way across my life  
To spend these years, create a new thought  
For I give you strength and offer my heart  
Take these chains and hold them as ours  
For I'm a star and I will shine in a season, all mine  
A lyric, a time, a crusade, a line  
One minute, a friend, a road without end  
A lyric, a time, a crusade, a line  
One minute, a friend, a road without end  
A lyric, a time, a crusade, a line  
One minute, a friend, a road without end  
A lyric, a time, a crusade, a line  
One minute, a friend, a road without end  
A road without end
