

Just a Memory

Escape the Fate

[Verse 1]

How did I let you slip through the cracks?

How did I let you stab me in the back?

You were my brother, you were my friend,

I pray "No salvation for you in the end".[Pre-Chorus]

Un-pre-dic-table!

Trusting you was a fucking mistake.

Un-for-giv-able!

You will sweat in the pit that you make.

Nothing can save you now![Chorus]

Now you're just a memory,

In my past is where you'll stay.

Had my trust, threw it away,

You'd better keep your distance from me![Verse 2]

There's no forgiveness for what you've done,

I'm coming for you and I'm out for blood.

You are a liar, you are a thief,

Spare me the pleasure of your company.[Pre-Chorus]

Un-pre-dic-table!

Trusting you was a fucking mistake.

Un-for-giv-able!

You will sweat in the pit that you make.

Nothing can save you now![Chorus]

Now you're just a memory,

In my past is where you'll stay.

Had my trust, threw it away,

You'd better keep your distance from me!

Now you're just a memory,

In my past is where you'll stay.

Had my trust, threw it away,

You'd better keep your distance from me![Brige]

Someone like you, is gonna die alone,

You're gonna die alone, you're gonna die alone.

Someone like you, is gonna die alone,

You're gonna die alone, you're gonna die alone!You're gonna die, you're gonna die,

You're gonna die alone![Outro]

Now you're just a memory,

In my past is where you'll stay.

Had my trust, threw it away,

You'd better keep your distance from me!
Now you're just a memory,
In my past is where you'll stay.
Had my trust, threw it away,
You'd better keep your distance from me!
