

Cat Scratch Fever

The Moog Cookbook

Well I don't know where they come from

 But they sure do come

 I hope they comin' for me

And I don't know how they do it

 But they sure do it good

 I hope they doin' it for free

They give me cat scratch fever

 Cat scratch fever

 The first time that I got it

 I was just ten years old

I got it from some kitty next foor

 I went and see the Dr. and

 He gave me the cure

 I think I got it some more

They give me cat scratch fever

 Cat scratch fever

 It's nothin dangerous

 I feel no pain

 I've got to ch-ch-change

You know you got it when you're going insane

 It makes a grown man cryin' cryin'

 Won't you make my bed

 I make the pussy purr with

 The stroke of my hand

They know they gettin' it from me

 They know just where to go

 When they need their lovin man

 They know I do it for free

They give me cat scratch fever

 Cat scratch fever
