Cry Me a River

Heather Myles

Now you say you're lonely
You cried a long night through
Well, you can cry me a river, cry me a river
I cried a river over youAnd now you say you're sorry
For bein' so untrue
Well, you can cry me a river, cry me a river
I cried a river over youYou drove me, nearly drove me out of my head
While you never shed a tear
Remember, I remember
All that you saidTold me love was too plebeian
Told me you were through with me
And now you say you love me
Just to prove you doCome on and cry me a river, cry me a river
I cried a river over youI cried a river over you
I cried a river over you
I cried a river over you
