

# All Funked Up

## Lynyrd Skynyrd

Tornadoes spinnin', I sit here grinnin'  
I think we've all seen this movie before  
This is confusin', almost amusin'  
It's hard to tell up and down anymore When did it get so crazy, how did we lose control  
Everybody's shouting, how bad it really sucks Situation normal  
All funkyd up  
We're all funkyd up We had some leaders and they were cheaters  
But they came out smelling like a rose  
We should reject them, but we respect them  
For what they do when the door is closed Nothing in this world a simple man can do  
Stand up and be counted, ain't you had enough Situation normal  
All funkyd up  
Yeah, we're all funkyd up We're functionally dysfunctional  
Though we're functionally, yeah, dysfunctional  
We're all funkyd up Don't you know the meaning of the word snafu  
Better known as trouble for me and you  
Murphy's law will get ya, he's on his way  
Same ol', same ol' shit, a different day Tornadoes spinnin', I sit here grinnin'  
I think we've all seen this movie before  
This is confusin', almost amusin'  
It's hard to tell up and down anymore Everybody's shouting how bad it really sucks Situation normal  
All funkyd up  
We're all funkyd up  
We're all funkyd up  
We're all funkyd up All funkyd up
