The Lie

The Gun Club

The lie
Now I know the lie
now I know the lie
now I know the lieYou keep me on the highway
I never get to come down
You really don't want me to make it
you really don't want me aroundThe lie,
Now I know the lie
now I know the lie
now I know the lieThings just fall to pieces
While I sit and watch the door
I can never give to you
anymore and more and moreThe lie,
How I know the lie
how I know the lie
how I know the lieIt's Christmas in the city
I have to go again and score
I will never want you
anymore and more and moreThe lie,
That's how I know the lie
now I know the lie
now I know the lie
