

# Ghost Love Score

## Nightwish

We used to swim the same moonlight waters  
Oceans away from the wakeful day  
My fall will be for you  
My love will be in you  
If you be the one to cut me  
I'll bleed forever  
My fall will be for you  
My love will be in you  
If you be the one to cut me  
I'll bleed forever  
Scent of the sea, before the waking of the world  
Brings me to thee, into the blue memory  
My fall will be for you  
My love will be in you  
If you be the one to cut me  
I'll bleed forever  
My fall will be for you  
My love will be in you  
If you be the one to cut me  
I'll bleed forever  
Into the blue memory  
The siren from the deep came to me  
Sang my name, my longing  
Still I write my songs about that dream of mine  
Worth everything I may ever be  
The child will be born again  
That siren carried him to me  
First of them true loves  
Singing on the shoulders of an angel  
Without care for love 'n loss  
Bring me home or leave me be  
My love in the dark heart of the night  
I have lost the path before me  
The one behind will lead me  
Bring me home or leave me be  
My love in the dark heart of the night  
I have lost the path before me  
The one behind will lead me  
Take me, cure me, kill me  
Bring me home, every way, every day  
Just another loop into the hangman's noose  
Take me, cure me, kill me, bring me home  
Every way, every day I keep on watching us sleep  
Relive the old sin of Adam and Eve  
Of you and me, forgive the adoring beast  
Redeem me into childhood  
Show me myself without the shell  
Like the advent of May, I'll be there when you say  
Time to never hold our love  
My fall will be for you  
My love will be in you  
You were the one to cut me

So I'll bleed forever My fall will be for you  
My love will be in you  
You were the one to cut me  
So I'll bleed forever My fall will be for you  
My love will be in you  
You were the one to cut me  
So I'll bleed forever
