Set Me Free

Marion Raven

Love makes you feel bad
Makes you so sad
But that's the way it goes

Hate makes you feel good
Like only pain could
But that's the way it goes

I won't feel that and I
I won't feel bad and I
I won't miss you when you're gone

Don't tell me you love me
Now that you need me
Don't tell me you want me
Just let me go
Won't you set me free?

Talk but no one's listening
All I hear is
Blah, blah, blah

All you do is hurt me
You do not deserve me
I won't miss you when you're gone

Don't tell me you love me
Now that you need me
Don't tell me you want me
Just let me go
Won't you set me free?

Don't tell me you love me
Now that you need me
Why do you play me?
Just let me go
Won't you set me free?

I wish that you could see
You took the best part out of me

Won't you set me free?

Things are getting ugly
Things are getting ugly
Things are getting ugly
Yeah, yeah, yeah, yeah, yeah

Don't tell me you love me
Now that you need me
Don't tell me you want me
Just let me go
Won't you set me free?

Don't tell me you love me
Now that you need me
Why do you play me?
Just let me go
Won't you set me free?

I wish that you could see
You took the best part out of me
Won't you set me free?

I wish that you could see
You took the best part out of me
Won't you set me free?

Just let me free
