Who Invited You

The Donnas

I'm busy talkin' to this guy
When I see outta the corner of my eye
Look who's here, how you doin'?
Why don't you tell me who let you in?We don't care if you think our party's cool
'Cause we do
And we don't care if you had more fun in Sunday school
'Cause who invited you? Who invited you?Who invited you?
And what do I've to do
To get rid of you?
Who invited you?You say you're everyone's best friend
But last night you made fun of all them
You never told me not to tell
You trusted me, but you don't know me that wellWe don't care if you think our party's cool
'Cause we do
And we don't care if you had more fun in Sunday school
'Cause who invited you? Who invited you?Who invited you?
And what do I've to do
To get rid of you?
Who invited you?Who invited you? Who invited you?
And what do I've to do
To get rid of you?
Who invited you?Face it dude, you can't beat me
In your Charlie Brown shirt and Cavariccis
Baby you come up to my waist
You need a barstool to get up in my faceWe don't care if you think our party's cool
'Cause we do
And we don't care if you had more fun in Sunday school
'Cause who invited you? Who invited you?Who invited you?
And what do I've to do
To get rid of you?
Who invited you?Who invited you? Who invited you?
And what do I've to do
To get rid of you?
Who invited you?
