Talkin'

Rynn

I feel a lot less younger than I did last year. But I've lost all wonder and lost all fear, of the dark. Of the dark.

Can you tell me when did you become a ghost cause you were just right here as you held me close. In your arms. In your arms.

But I'm talkin to you. Talkin to you. I'm talking to you.I'm talking to you.

I just drive through the night with the memories down the same back streets while the song plays on repeat. On repeat.

Now time has gone and lost its hold of me I'm doing all I can to keep my eyes locked in the street. In the street.

Now I'm talkin to you. Im talkin to you. I'm talkin to you. I'm talkin to you. Talking to you.

I feel a lot less younger. Younger. Now I'm talkin to you. Talkin to you. I'm talkin to you. I be talkin to you. I be talking to you.
