

# Bluer Than Midnight

## The The

Save me, save me, save me  
Save me, save me, save me The candles are lit, the curtains are drawn  
There's still no sign of rain nor dawn  
Our lips touch, our limbs entwine  
But the ghosts that haunt me won't leave my mind Save me, save me, save me  
Save me, save me from myself One sin leads to another one  
Oh, the harder I try I can never, never, find peace in this life  
(Never)
