Everlasting Light

Mono

Let me be your everlasting light
Your sun when there is none
I'm a shepherd for you
And I'll guide you through
Let me be your everlasting lightLet me be your everlasting light
Your home when there is cold
In me you can confide
When no one's by your side
Let me be your everlasting lightOh baby, can't you see
It's shining just for you
Loneliness is over
Dark days are through
They're throughLet me be your everlasting light
Your train going away from pain
Love is the coal that makes this train roll
Let me be your everlasting lightYeah, let me be your everlasting light
Let me be your everlasting light
Be your everlasting light
