

# Promises In the Dark

[Pat Benatar](#)

Never again, isn't that what you said?  
You've been through this before  
An' you swore this time you'd think with your head  
No one, would ever have you again  
And if taking was gonna get done  
You'd decide where and when  
Just when you think you got it down  
Your heart securely tied and bound  
They whisper, promises in the dark  
Armed and ready, you fought love battles in the night  
But too many opponents made you weary of the fight  
Blinded by passion, you foolishly let someone in  
All the warnings went off in your head  
Still you had to give in  
Just when you think you got it down  
Resistance nowhere to be found  
They whisper, promises in the dark  
But promises, you know what they're for  
It sounds so convincing, but you heard it before  
'Cause talk is cheap and you gotta be sure  
And so you put up your guard  
And you try to be hard  
But your heart says try again
