

God Don't Leave Me

Highasakite

God, don't leave me, I'll freeze
I panic in my bedroom half asleep
God, don't tempt me, I'm weak
And either way, it's a shitty way to leave
Creator of my awful mind
You crossed the line this time
You crossed the line this time
It's been a long time since the phone rang and it was you
God, don't leave me, I'll freeze
If only 'bout a second of your time
If only 'bout a second of your time
God, don't leave me, I'll freeze
Like the last summer
God, don't leave me, I'll freeze
Like the last summer (God, don't leave me out)
God, don't leave me, I'll freeze
Like the last summer (God, don't leave me now)
God, don't leave me, I'll freeze
Like the last summer (God, don't leave me now)
Like the last summer (God, don't leave me now)
Like the last summer (God, don't leave me now)
Like the last summer
Like the last summer
Like the last summer (God, don't leave me now)
Like the last summer (God, don't leave me now)
Like the last summer
