

The Girl In The Dirty Shirt (Short Edit)

Oasis

If I may be so bold that I could say something
Come and make me my day
The clouds around your soul don't gather there for nothing
I can chase them all away
Why do you need a reason for to feel happy
Or shining for the rest of the world
Give me just a smile and would you make it snappy
Get your shit together girl
You got a feeling lost inside
It just won't let you go
Life is sneaking up behind
It just won't let you go
No it just won't let you go
Is what I'm trying to say
Is would you maybe, come dancing with me
'Cause to me it doesn't matter
If your hopes and dreams are shattered
'Cause when you say something you make me believe
In the girl who wears a dirty shirt
She knows exactly what she's worth
Knows exactly what she's worth to me!
That I can see, I can see
If you ever find yourself inside a bubble
You've gotta make your own way home
You can call me anytime you're seeing double
Now you know you're not alone
