## Earthtone9

for denial  
you know that i've been waiting for so long  
to be with you  
give my hand  
you know that i've been held from helping you  
un-clean in formcold within  
the waves of my delusion crashing in  
i'm burned in sindarken my eyes  
so i will never be  
hollow my heart  
so i am freefor denial  
you know that i've been waiting for so long  
to be with you  
give my hand  
you know that i've been held from helping you  
un-clean in formcold within  
the waves of my delusion crashing in  
i'm burned in sindarken my eyes  
so i will never be  
hollow my heart  
so i am free
