I Live for You

Tift Merritt

All alone in this world am I
Not a care for this world have I
Only you keep my eyes open wide
Yes it's true
I live for youNot a thing in this world do I own
Only sadness from all that is grown
In this darkness I wait for the day
Yes it's true
I live for youFor many years I wait
For many tears I waitAll this time my thoughts return to you
Give my love, that is all I can do
Wait in line till I feel you inside
Yes it's true
I live for youFor many years I wait
For many tears I waitAll this time my thoughts return to you
Give my love, that is all I can do
Wait in line till I feel you inside
Yes it's true
I live for you
