Take What You Take

Lily Allen

A picture paints a thousand words,
As one door closes, another one opens,
And two wrongs don't make a right
Now good things come to those who wait,
Take the highs with the lows dear,
You'll get what your given and everything's gonna be alrightWhat the fuck do you know?
Just cos you're old you think your wise,
But who the hell are you though,
I didn't even ask for your advice
You wanna keep your mouth shut,
You wanna take your thoughts elsewhere,
Cos you're doing in my nut,
And do you think I care?Say what you say,
Do what you do
Feel what you feel,
As long as it's real
I said take what you take
And give what you give
Just be what you want,
Just as long as it's realNow by a horse, I once was told
That all that glitters is not gold
And all that is to fear is fear itself
This horsey also told me,
I should keep my friends close but my enemies closer,
So as to protect myselfWhat the fuck do you know?
Just cos you're old you think your wise,
But who the hell are you though,
I didn't even ask for your advice
You wanna keep your mouth shut,
You wanna take your thoughts elsewhere,
Cos you're doing in my nut,
And do u think care?Say what you say,
Do what you do
Feel what you feel,
As long as it's real
I said take what you take
And give what you give
Just be what you want,
Just as long as it's realAh

Ah
Ah
Ah
AhSay what you say,
Do what you do
Feel what you feel,
As long as it's real
I said take what you take
And give what you give
Just be what you want,
Just as long as it's realSay what you say,
Do what you do
Feel what you feel,
As long as it's real
I said take what you take
And give what you give
Just be what you want,
Just as long as it's realSay what you say,
Do what you do
Feel what you feel,
As long as it's real
I said take what you take
And give what you give
Just be what you want,
Just as long as it's real
