The Wanderer

Donna Summer

Woke up this morning, dragged myself across the bed
Alice went to Wonderland but I stayed home instead
I started feeling bad 'cause I was left behind
'Cause I'm a wanderer, ooh, I'm a wandererShe climbed right through the mirror, oh, that really blew my mind
I think I'll follow through her rhythm and her rhyme
I know I'm ready now, it's just a little time
'Cause I'm a wanderer, ooh, I'm a wanderer'Cause I'm a wanderer, I travel every place
'Cause I'm a wanderer from here to outer space
'Cause I'm a wanderer, got no time
'Cause I'm a wanderer, ooh, just a wandererSlipped down the back stair on my toes, then out the door
They didn't hear, now they won't see me anymore
'Cause I can't take that nine to five life, it's a bore
'Cause I'm a wanderer, yeah, just a wandererAnd so it's up and out and on and off the road
Won't have no troubles 'cause the whole world is my home
No need to worry 'cause I seldom am alone
'Cause I'm wanderer, ooh, I'm a wanderer'Cause I'm a wanderer, I travel every place
'Cause I'm a wanderer from here to outer space
'Cause I'm a wanderer, got no time
'Cause I'm a wanderer, ooh, just a wanderer'Cause I'm a wanderer
Ooh, just a wandererNow you may see me any time and any place
And you may know me from the same look on your face
And I don't know if I could change your frame of mind
'Cause I'm a wanderer, ooh, just a wanderer'Cause I'm a wanderer, I travel every place
'Cause I'm a wanderer from here to outer space
'Cause I'm a wanderer, got no time
'Cause I'm a wanderer, 'cause I'm a wanderer
'Cause I'm a wanderer'Cause I'm a wanderer, I travel every place
'Cause I'm a wanderer from here to outer space
'Cause I'm a wanderer, got no time
'Cause I'm a wanderer, I travel every place
'Cause I'm a wanderer from here to outer space
'Cause I'm a wanderer, got no time
