

# Love Like This

## Faith Evans

I never knew there was a  
Love like this before  
Never had someone to show me a love  
Love like this beforeNow that we have, come to be  
A brand new light, I can see  
Never thought you'd be  
A special, part of me, no babyThe reasons are because of you  
I can go on and make it through  
I can't even take my mind off lovin' you  
And I wanna sayI never knew there was a  
Love like this before  
Never had someone to show me a love  
Love like this beforeI know, you can't see  
All the things you mean to me  
I'm so amazed that you are mine  
Yeah yeah, yeah yeahIf we can work together  
Maybe this can last forever  
This is somethin' that I wanna hold on to  
So baby, try to understandBaby, try to understand  
I'll be crazy if you leave  
'Cause you compliment  
My styleAnd I like the way you walk  
And the sexy things you talk  
You don't know just what you do to me  
You seeI never knew there was a  
Love like this before  
Never had someone to show me a love  
Love like this beforeI never knew there was a  
Love like this before  
Never had someone to show me a love  
Love like this beforeBaby, try to understand  
I'll be crazy if you leave  
'Cause you compliment  
My styleAnd I like the way you walk  
And the sexy things you talk  
You know just what you do to me  
You seeNever knew a  
Never knew a  
Never knew a

Love like this before  
Never knew a  
Never knew a  
Love like this before  
I never knew there was a  
Love like this before  
Never had someone to show me a love  
Love like this before  
I never knew there was a  
Love like this before  
Never had someone to show me a love  
Love like this before  
I never knew there was a  
Love like this before  
Never had someone to show me a love
