Devilscum

Scum Of The Earth

Hardcore morgue whore
Undead porn star is born
Hell in high heels and ready to die
Black leather victims, nobody survivesYeah, she's the anti-one
Undead porn star is born
Yeah, she's the anti-love
Spread her legs for the devilscum, yeah, yeahDeath becomes her
Drop dead gorgeous killer
Hell has a fury, dances on the stage
Strip club diva fuels the devil's veinYeah, she's the anti-one
Undead porn star is born
Yeah, she's the anti-love
Spread her legs for the devilscum, yeah, yeahYeah, she's the anti-one
Undead porn star is born
Yeah, she's the anti-love
Spread her legs for the devilscum, yeahYeah, she's got the gun
Undead porn star is born
Yeah, she's got the gun
Anti-Christ, the devilscum, yeah, yeah, yeah
