His Eye Is On the Sparrow

Mahalia Jackson

Why should I feel discouraged? Why should the shadows come? Why should my heart feel lonely And long for Heavenly home?When Jesus is my portion My constant friend is He His eye is on the sparrow And I know He watches meHis eyes is on the sparrow And I know He watches meI sing because I'm happy And I sing because I'm free For His eye is on the sparrow And I know He's watching me
