

# Barrel Of A Gun (4, 3, 2, 1)

## Guster

I know a movie star  
I've got her plastered to my wall.  
Just like we're dear old friends  
Like she already knows me.  
She's as perfect as she seems,  
Lifts me right out the mezzanine.  
I finally fell in love,  
I'd been waiting forever.Four, three, two, one  
When out the barrel of a gun  
Keep my head way down.  
Stay out I'll stay in.  
Half dead, half numb  
She's enough to make me warm  
It's all so safe and sound.Lie back and fast asleep  
If you could see what I could see.  
Drip drop a lovely dream.Goddamn you movie star,  
Can't you just stay a minute more.  
We'd be the best of friends  
You could stay here forever.Four, three, two, one  
When out the barrel of a gun  
Keep my head way down.  
Stay out I'll stay in.  
Half dead, half numb  
She's enough to make me warm  
It's all so safe and sound.She will be sweet on me  
Just like a mystery.  
It's not so hard to see  
If I'm not mistaken.  
She comes from far away  
Gets closer everyday.  
And all that I can say  
She's all I want and all that I live for.Four, three, two, one  
When out the barrel of a gun  
Keep my head way down.  
Stay out I'll stay in.  
Half dead, half numb  
She's enough to make me warm  
It's all so safe and sound.
