

Lazy Dynamite

Paul McCartney

Oh, lazy dynamite
Oh, lazy dynamite
Oh, lazy dynamite
Oh, lazy dynamite Won't you come out tonight?
When the time is right
Oh, will you fight that feeling in your heart? Don't you know that inside
There's a love you can't hide
So why do you fight that feeling in your heart? Oh, lazy dynamite
Oh, lazy dynamite
Oh, lazy dynamite
Oh, lazy dynamite Oh, why do you fight that feeling in your heart?
Don't you know that inside
There's a love you can't hide
So why do you fight that feeling in your heart? Oh, lazy dynamite
Oh, lazy dynamite
Oh, lazy dynamite
Oh, lazy dynamite
Doo, doo, doo
