Girlfriend

EVE 6

May be silly for me to feel this way about you and her
'Cause I know she's been such a good friend
I know she has helped you throughTalkin' late on the phone
Every night you've been callin'
Private moments alone
And your heart soon be fallin'
And I know she's a friend
But I can't shake the feeling
That I could be losing your heartI think I'm jealous of your girlfriend
Although she's just a girl that is your friend
I think I'm jealous of your girlfriend
She shares a special part of youYou said that she's one well to see
How deep you're in love with me
And intentions were not to get in between
But I see possibilitiesAnd you say that you feel
I'm the best thing in your life
And I know it's real, I see it in your eyes
There's no reason for me to even feel this way
I know you just enjoy her companyI think I'm jealous of your girlfriend
Although she's just a girl that is your friend
I think I'm jealous of your girlfriend
She shares a special part of you
