Seventeen

Bill Wyman

It's just an image
She's not the girl that she used to be
It's just an image
She made a break with realitySeventeen, movie queen
Silver screen, now she's a has beenIt's just an image
High fashion for the fashion queens
It's just an image
To do commercials for a pair of jeansSeventeen, movie queen
Silver screen and she's a has beenIt's just an image
A fashion photo in a magazine
It's just an image
Of all the things that she could have beenSeventeen, seventeen
Seventeen, seventeen
Seventeen, seventeen
Seventeen, seventeen
