

# Revolution In The Head

## Girls Aloud

Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh I really wanna but then again I guess I just don't know  
I'm needing me an answer, been waiting all night  
A navigator, oh won't you tell me which way to go?  
I can't shake off the feeling, I got to hold the tight Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing  
You gotta, you gotta beat the past Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing  
You gotta, you gotta move that ass Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh Better late than never  
What's the devil gonna do with your life?  
Better late than never  
'Cause wherever is a hell of a long time You see never get the treasure  
Man of leisure if you go with the tide  
And if the never never's  
With their doing is we're doing it right I really wanna but then again my feet are feeling cold  
You're telling me manana, let's call it a night  
It's too easy to turn the TV on and stay at home  
We always got tomorrow to make it alright Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing  
You gotta, you gotta beat the past Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing

You gotta, you gotta move that ass Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Gimme the ting, gimme the ting  
Gimme the oh, oh, oh  
Hey, hey, hey, oh, oh, oh  
Hey, hey, hey, oh, oh, oh Oh, kids don't fight it, you gotta keep on shining  
You ain't no sidekick, get your bike and ride it, ooh  
Keep on climbing, reach the top and sign it  
Life goes by quick so don't you let that time tick Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing  
You gotta, you gotta beat the past Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing  
You gotta, you gotta move that ass Revolution in the head don't count for nothing  
You gotta, you gotta move that ass  
Revolution in the head don't count for nothing  
You gotta, you gotta beat the past Revolution in the head don't count for nothing boy  
You gotta move the mass  
Revolution in the head don't count for nothing  
You gotta, you gotta move that ass
