# One Firecracker

## Girls Against Boys

Ya got the chaos
> to wake me up inside
Ya got the hits
Kick it Disneyland, NYC
Look up that signal
Goes from you to me right
You do yourself insane
>in insane ways
Do myself
Detonation style
One firecracker crack ya mind
Wake me up inside
Disneyland. NYC
Ya got mickeymouse
Ya got pornography right
From ya to me
So loop that signal
Goes from you to me right
Do yourself insane ways
Wake me up inside
