

What I Believe

Squad Five-O

alright stop, wait, cause i'm confused
by the things that you say and the things that you do
you think i'm dumb, i think i'm young
i've learned from my mistakes
i pray you learn from yours
cause now i think its time
we look each other face to face
and make our peace somehow, someway
that's what i believe, what i believe, in God above and unity
that's what i believe, what i believe, ego trips just get in the way
