

# Secret Skin

KMFDM

This is the greasy rope  
The broken wreck  
I see the twisted hope  
Strung around your neck  
This hopeless dream  
This sordid stream I whisper once again praying for the end  
Your secret skin will shelter me  
Your secret skin can't hide your shame  
Your secret skin will smell of me  
Your secret skin can't hide your name Sin, sex and salvation  
Once more obey the bloody fist  
Once more betrayed by your open wrist  
One more rusty nail a sordid crime  
One more spreading stain upon your shrine Once more obey this bloody fist  
Betray your open bloody wrist  
One rusty nail, one sordid crime  
The spreading stain upon your shrine
