

Wearing My Rolex (Zombie Disco Squad Remix)

Wiley

What would we do
Usually drink, usually dance, usually bubble
All I want to do is tell you I love you
That's when I start promising the world to
A brand new girl I don't even know yet
Next thing she's wearing my Rolex
What would we do
Usually drink, usually dance, usually bubble
Usually drink, usually dance, usually bubble
Usually drink, usually dance, usually bubble
What would we do
Usually drink, usually dance, usually bubble
All I want to do is tell you I love you
All I want to do is tell you I love you
That's when I start promising the world to
A brand new girl I don't even know yet
Next thing she's wearing my Rolex
Too much champs, don't know where my phone is
Here's my number, she already knows it
This chapter's a lot, better close it
Just a look in her eye was so evil
Wiley's a party guy and she knows it
What would we do
Usually drink, usually dance, usually bubble
All I want to do is tell you I love you
That's when I start promising the world to
A brand new girl I don't even know yet
Next thing she's wearing my Rolex
What would we do
Usually drink, usually dance, usually bubble
Usually drink, usually dance, usually bubble
Usually drink, usually dance, usually bubble
What would we do
Usually drink, usually dance, usually bubble
All I want to do is tell you I love you
