

Sara

Fleetwood Mac

Wait a minute, baby
Stay with me awhile
Said you'd give me light
But you never told me about the fire

Drowning in the sea of love
Where everyone would love to drown
But now it's gone
It doesn't matter what for
When you build your house
Then call me home

And he was just like a great dark wing
Within the wings of a storm
I think I had met my match, he was singing
And undoing and undoing the laces
Undoing the laces

Said Sara, "You're the poet in my heart
Never change, never stop
But now it's gone
It doesn't matter what for
But when you build your house
Well, then call me home"

Hold on, the night is coming
And the starling flew for days
I'd stay at home at night all the time
I'd go anywhere, anywhere, anywhere
Ask me and I'm there, yeah, ask me
And I'm there because I care

In the sea of love
Where everyone would love to drown
But now it's gone
They say it doesn't matter any more
If you build your house then please call me

Ho Sarah, you're the poet in my heart
Never change and don't you ever stop

And now it's gone
No, it doesn't matter any more
When you build your house, I'll come by
