

L.A. Blue

Joey McIntyre

L.A. Blue
Momentarily got me down
The more I think of you
The more I hate this town
And I hope to find my way back home real soon
I need someone to cure my L.A. Blue
How do I get around?
I don't wanna lose
Myself in the crowd
Well, I'm sorry if I ain't making the right moves
I'm just stuck here in my
Maybe I'm crazy but I think I'm here to stay
Where my soul's three thousand miles away
I don't need a million dollar deal to make me
Damn I miss you
I'd walk back to get you if I could
Can't stand another night in Hollywood
I need another way to open up my mind
It's not fair, how'd you get so far away
The more I imagine me there
The more the memories fade
And I won't be coming back anytime soon
If you could only feel my L.A. Blue
What can you do?
You won't be here forever
It's all in your mind
Maybe I'm crazy but I think I'm here to stay
Where my soul's three thousand miles away
I don't need a million dollar deal to make me
Damn I miss you
I'd walk back to get you if I could
Can't stand another night in Hollywood
I need another way to open up my mind
L.A. Blue
Maybe it ain't so bad
The more I see of you
The more I wish I had
Ohh, oh, oh, oh
Ahh, ahh
Damn I miss you
I'm maybe crazy, baby
And you're so far away. yeah
Open up my mind
Ohh, oh, oh, oh
I'd walk back to get you if I could

You know I would
Damn I miss you
