

# Goin' Steady

Wynn Stewart

Me and my baby are goin' steady  
We're not married but we're gettin' ready to tie the knot  
I'm a gonna make her my own  
Now that I've found her I'm gonna keep her  
Finders keepers, losers weepers She's my baby, she's goin' steady with me Well, I've been a honky tonkin'  
'round nearly all of my life  
Now that I found a steady girl, I'm a gonna make her my wife  
All you rounders just leave her alone  
Don't even try to call her on the phone 'Cause she's my baby, she's goin' steady with me Oh, we'll get the rings  
and be on our way to see the preacher man  
And when you say, I do"  
Sweetheart I'll slip the ring on your loving hand  
Everything is gonna turn out fine, I'll be yours and you'll be mine You're my baby and you're goin' steady with  
me  
You're my baby and you're goin' steady with me
