

# Blind Nuns (Get Out Of My Yard!)

## Wasted Youth

A holy woman a guiding light  
A chosen one she'll set you right  
Shes a soul a nun shes a slutty lesbian  
Respect her and praise her  
Admire her and follow her  
But in the night she's a dyke  
Two sisters locked in sixty-nine  
She'll bless your soul play a nuns role  
She'll let the power take its toll  
Holy slut holy nun  
We can see you are the one  
At night she goes to bed  
But with another nun instead  
Its not for some religious come  
Its for unfaithful catholic nuns  
And we can all see  
The dreams and lies alibis living in the public eye  
And we can all see  
Phoniness lots of press living in unhappiness  
And we can all see  
Theres lots of talk hypocrites unconventional Politics  
And we can all see  
These nuns sure ain't from God  
'Cause they're living in hell's facade  
Sister Mary quick get undressed  
'Cause I know its your pee thats been blessed.
