Puscifer

celestial lotion
choice and chances
future of the light
infinity has many faces
i see them all tonightin you.....
our interception
our divine collision
our interception
our divine collisionriding waves waves of tears
in recognition of
what patience will provide
when radiating celestial bodies
fatefully collidein you.....
our interception
our divine collision
our interception
our divine collisionhey, hello.. a joy to finally meet you
hey, hello.. agostinaagostina
