Teena Marie

Hee, everybody get upFlash back, who's that dancin' to the latest?  
Suave DeBone, the greatest, ooh, he sure is moving me  
That's what I said though you didn't know yet  
Our love is was kismet, soon to be made historySo don't you have no doubt, I'm gonna spell it out  
I'll hip you to the Tee that is  
I got the best, the most, baby, from coast to coast  
And I don't wanna boast, but I love you square bizI'm talkin' square biz to you, baby  
Square, square biz  
I'm talkin' love that is  
Square, square bizI'm talkin' square biz to you, baby  
Square, square biz  
I'm talkin' love that is  
That is, that is square bizSo shy, whoa, my, had to change that real quick  
Had to use a few tricks, you know like my femme fatal  
Phase two, me, you dancin' on a cloud  
Gonna sing it loud 'cause my love is on the wowSo don't you have no doubt, I'm gonna spell it out  
I'll hip you to the tee that is  
I got the best, the most, baby, from coast to coast  
And I don't wanna boast, but I love you square bizI'm talkin' square biz to you, baby  
Square, square biz  
I'm talkin' love that is  
Square, square bizI'm talkin' square biz to you, baby  
Square, square biz  
I'm talkin' love that is  
That is, that is square bizSquare biz, square biz  
Square biz, I'm talkin' love  
Square biz, square biz  
Square biz, square biz, I'm talkin' lovePhase three, ooh wee, on a love oasis  
Joy upon our faces sent from up above  
Bombs burst, fireworks, big production thing  
I'm talkin' horns and string, orchestration is my loveSo don't you have no doubt, I'm gonna spell it out  
I'll hip you to the Tee that is  
I got the best, the most, baby, from coast to coast  
And I don't wanna boast, but I love you square bizI'm talkin' square biz to you, baby  
Square, square biz  
I'm talkin' love that is  
Square, square bizI'm talkin' square biz to you, baby  
Square, square biz  
I'm talkin' love that is

That is, that is, that is square biz  
 Ooh, hey, baby, what's your name?  
 Ladies call me Slick Rick, baby  
 Well, don't be too slick now  
 I'm talking square biz, talk to me, talk to me  
 I'm talking square biz, talk to me, talk to me  
 I'm talking square biz, talk to me  
 I'm talking square biz to you  
 Baby, what's happening? Entre vous Lady Tee  
 I've heard a boatload of others ladies' raps  
 But they ain't got nothin' on me  
 I'm less than five foot one, a hundred pounds of fun  
 I like sophisticated funk  
 I live on Don Perignon, caviar, fillet mignon  
 And you can best believe that's bunk  
 Here's what I'm talking, baby, square biz, square biz  
 I've been called Casper, Shorty, Little Bit  
 And some they call me Vanilla Child  
 But you know that don't mean my world to me  
 'Cause baby, names can't cramp my style  
 I love chick chicken and buff's collard greens  
 A little hot water corn bread, I love you too cat daddy  
 But don't you let that go to your head  
 That's what I'm talking, baby, square biz, square biz  
 You know I like spirituals and rock  
 Sarah Vaughn, Johann Sebastian Bach  
 Shakespeare, Maya Angelou  
 And Nikki Giovanni just to name a few  
 Well, I'm wild and peaceful Lady Tee  
 I got to keep my irons in the fire, you see  
 I got the point, the scam, the low, the deal  
 What you feel? Say what  
 Flash back, who's that? Flash back  
 Flash back, who's that? Flash back  
 So don't you have no doubt, I'm gonna spell it out  
 I'll hip you to the Tee that is  
 I got the best, the most, baby, from coast to coast  
 And I don't wanna boast, but I love you square biz  
 I'm talkin' square biz to you, baby  
 Square, square biz  
 I'm talkin' love that is  
 Square, square biz  
 I'm talkin' square biz to you, baby  
 Square, square biz  
 I'm talkin' love that is, woo  
 I'm gonna talk about it  
 I'm gonna talk my love  
 I'm gonna talk about it  
 I'm gonna talk my love  
 I'm gonna hip you to the Tee  
 The Tee, the Tee  
 What's the Tee?  
 Now you know that's me  
 Flash back, who's that? Flash back  
 Flash back, who's that? Flash back  
 Flash back, who's that? Flash back  
 Flash back, who's that? Flash back  
 I'm gonna talk about it  
 I'm gonna talk my love  
 I'm gonna talk about it

I'm gonna talk my love I'm gonna hip you to the Tee  
(Everybody's dancing on the Tee)  
([Incomprehensible])  
Quit talking Square Biz  
(Everybody's dancing on the Tee)  
[Incomprehensible]
