

# Change On Me (Adam Marano 2002 Freestyle Mix)

## Cynthia

When we met  
It all happened so fast  
You said you love me  
And that it will last  
But know it seems  
That it was all a lie  
And all my love for you  
Is to pass you by  
My love for you  
Will never be the same  
My heart still aches  
From the sorrow and the pain  
Time has come for me to say good-bye  
Although the precious times  
Will never leave my mind[Chorus]  
Why did you have to change on me  
Your love was so easy and sweet  
Oh boy, I gave you all my time  
But why could not make you mine  
Why did you have to change on me  
Your love was so easy and sweet  
Oh boy, I gave you all my time  
But why could not make you mine  
Changing your love  
Was the best thing to do  
My love was to strong  
For both me and you  
You go your way baby  
I'll go me mine  
Searching for the love  
We'll both hope to find  
If you decide  
To come back to me  
I'll be waiting so desperately  
Until then  
I hope to find  
Someone to love me baby  
All over the time[Chorus]My love for you  
Will never be the same  
My heart still aches

From the sorrow and the pain  
Time has come for me to say goodbye  
Although the precious times  
Will never leave my mind[Chorus]
