

Redemption

Blood, Sweat & Tears

Toil and labor on the Ark, Noah, God meant it
Scorn and pity's all the world around, you'll ever know
Rain and thunder in the dark, Noah, God sent it
Sing redemption everywhere you go

Praise the Lord, he has led you, NoahThirst and hunger on the rock, Moses, God gave you
Pain and sorrows all the world around, you'll ever know
Fire and fury in the cloud, Moses, God save you
Sing redemption everywhere you go

Praise the Lord, he has led you, MosesCold and lonely in the ground, Joseph, God left you
Greed and hatred's all the world around, you'll ever know
Pull your coat of colors round, Joseph, God blessed you
Sing redemption everywhere you go

Praise the Lord, he has led you, JosephOh Joseph
