

This Is It

Dannii Minogue

This is it, oh this time I know it's the real thing
I can't explain what I'm feeling, I'm lost for words
I'm in a daze, stunned and amazed by your open ways
This is it, oh this time I know it's the real thing
I can't explain what I'm feeling, I'm lost for words
I'm in a daze, stunned and amazed by your open ways
Woo, you smiled at me and suddenly
The wheels of love began to turn inside of me
Hey, you said hello, oh I felt aglow
Right then and there I knew I'd never let you go
'Cos I know, I know
This is it, oh this time I know it's the real thing
I can't explain what I'm feeling, I'm lost for words
I'm in a daze, stunned and amazed by your open ways
Oh, the touch of you is something new
Nobody ever made me feel the way you do
Woo, it's heavenly, oh it's ecstasy
The way you make me feel when you make love to me
Oh yeah, can't you see?
This is it, this time I know it's the real thing
And I can't explain what I'm feeling, I'm lost for words
I'm in a daze, stunned and amazed by your open ways
This is it, oh yeah, yeah, yeah
Oh, the touch of you is something new
Nobody ever made me feel the way you do
Let me tell ya, heavenly ecstasy
Oh, when you make love to me
This is it, this time I know it's the real thing
I can't explain what I'm feeling, I'm lost for words
I'm in a daze, stunned and amazed by your open ways
This is it, oh this time I know
I can't explain what I'm feeling, yeah
I'm in a daze, mm with your open ways
This is it, this time I know it's the real thing
