

Idiots Are Taking Over

NOFX

It's not the right time to be sober
Now the idiots have taken over
Spreading like a social cancer, is there an answer? Mensa membership exceeding
Tell me why and how are all the stupid people breeding
Watson, it's really elementary
The industrial revolution
Has flipped the bitch on evolution
The benevolent and wise are being cornered, ostracized, what a bummer
The world keeps getting dumber
Insensitivity is standard and faith is being fancied over reason Darwin's rollin over in his coffin
The fittest are surviving much less often
Now everything seems to be reversing, and it's worsening
Someone flopped a steamer in the gene pool
Now angry mob mentality's no longer the exception, it's the rule
And I'm startin to feel a lot like charlton heston
Stranded on a primate planet
Apes and orangutans that ran it to the ground
With generals and the armies that obeyed them
Followers following fables
Philosophies that enable them to rule without regard There's no point for democracy when ignorance is
celebrated
Political scientists think the same one vote that some monkeys are inbred
Majority rule, don't work in mental institutions
Sometimes the smallest softest voice carries the grand biggest solutions What are we left with?
A nation of god-fearing pregnant nationalists
Who feel it's their duty to populate the homeland
Pass on traditions
How to get ahead religions
And prosperity be a symbol to culture The idiots are takin over
