No Disrespect

Potluck

Ay yo, see I'm your next girl
Not your ex-girl boo
(Uh)
Don't get it twisted
Don't never Disrespect me
Oh, oh, yeah, yeah
Oh, oh, oh, oh yeah
(Uh, uh)
Don't you ever compare me
To none of those hoes
You used to mess wit
(Say wut?)
'Cos those are some low down dirty tricks
And now you be working wit some new shit
I'll be the mother of your baby
If you bring me down I can handle it
(Uh, uh)
'Cos I'm not like those ladies
(uh)
None of those hoes u be fuckin' wit
I'm not your hoe
I'm not your freak
I'm not your trick
But I'm naturally beautiful
High Quality
I'm tired of you disrespecting me
I'm not your hoe
I'm not your freak
I'm not your trick
But I'm naturally beautiful
High Quality
I'm tired of you disrespecting me
(One, two)
Don't, don't you ever dare treat me
Like them chickens you be playin' wit
'Cos I am more then a lady
And those the type of chicks who be dirty shit
They look at you lying and persuading
You play innocent believe it

(Uh, oh)
'Cos I'm not like those other ladies
(Say wut?)
None of those chickens u be fuckin' wit
I'm not your hoe
I'm not your freak
I'm not your trick
But I'm naturally beautiful
High Quality
I'm tired of you disrespecting me

I'm not your hoe
I'm not your freak
I'm not your trick
But I'm naturally beautiful
High Quality
I'm tired of you disrespecting me
There will be no disrespecting me

But I'm naturally beautiful
High Quality

But I'm naturally beautiful
High Quality
I'm tired of you disrespecting me
I'm not your hoe
I'm not your freak
I'm not your trick
But I'm naturally beautiful
High Quality
I'm tired of you disrespecting me
I'm not your hoe
I'm not your freak
I'm not your trick
