Good Lovin'

Blackstreet

Good lovin', unh, yeah
Blackstreet coming back inches
We're getting 9-6, kicking it live
I'm gonna do this with a little Chauncey Black style
Listen
My mama told me
That there will be a day like this
I will run into someone
Who would just knock me off my feet
That kind of woman
Who would be right there for me
Never thought that it could be
But now it's happening to me
I finally found someone who will give me all her affection
And I wanna keep her right here next to me
Thinking about me and my lady
Giving her love all night and through the day
Getting that feelin', all I want is good lovin'
Good lovin' in the mornin'
Good lovin' in the evenin'
We can do it 'till the break of dawn
(Break of dawn)
'Cause you give me that feelin'
(Help me sing it)
I wanna do it in the morning
Let's do it in the evening time
(All night long)
We can do it anywhere you want
(Baby, yeah)
Just give me good, just give me good lovin'
I remember just messin' around
With all of them men an' all, didn't really care for
But this special woman, really made a difference in me
And I wanna be the best man I can be and she will see
It may be time when we're apart from each other
(Each other)
But my girl she knows and I know it's alright
Pick up the phone, give her a call
A few minutes later, she's knocking at my door

Now I'm getting that feelin'
(Feelin')
All I want is good lovin'
Good lovin' in the mornin'
(Baby)
Good lovin' in the evenin'
(Ooh, baby)
We can do it 'till the the break of dawn
(Break of dawn)
'Cause you give me that feelin'
(All I want is good love)
We can do it in the mornin'
(Oh yeah)
Let's do it in the evening time
(Anywhere, baby)
We can do it anywhere you want
(Anywhere)
Just give me good lovin'
Now I finally found someone to give me all of her affection
And she knows that I know it's alright
Pick up the phone, give her a call
A few minutes later, she's knocking at my door
Now I'm getting that feelin
All I want is good lovin'
(Baby, all I want)
Good lovin' in the mornin'
(Yeah)
Good lovin' in the evenin'
(It's all I want baby)
We can do it 'till the break of dawn
(Break of dawn)
'Cause you give me that feelin'
(All I really want is good lovin')
We can do it in the mornin'
Let's do it in the evening time
(In the evening time baby)
We can do it anywhere you want
(Baby, yeah)
Just give me good lovin'
Good lovin' in the mornin'
(Come on, get me up)
Good lovin' in the evenin'
(Come on, do me right)
We can do it 'till the break of dawn
(Come on, get me up)

'Cause you give me that feelin'
(Come on, do me right)
I wanna do it in the mornin'
(Come on, get me up)
Let's do it in the evening time
(Come on, do me right)
We can do it anywhere you want
Just give me good lovin'
Good lovin' in the mornin'
(Come on, get me up)
Good lovin' in the evenin'
(Come on, do me right)
We can do it 'till the break of dawn
(Come on, get me up)
Cause you give me that feelin'
(Come on, do me right)
I wanna do it in the morning'
(Come on, get me up)
Let's do it in the evening time
(Come on, do me right)
We can do it anywhere you want
Just give me good, just give me good
Just give me good lovin'
